How to maintain the hair for daily use?

1	Always wash hair in an upright position, never over a basin or bath.
2	DO NOT use protein or silicone based conditioner as the hair will tangle.
3	Detangle hair first before drying.
4	Never leave hair wet or damp as this will shorten the life span of the weft or bonds.
5	After application of extensions, do not wash hair for 24 hours.
6	Shampoo and dry hair as soon as possible after swimming.
7	Keep the hair in dry and closed condition to prevent damp, dust and other bugs in if you did not use it for a period.

FAQ:

Q1. How can I order one more bundle?

A. You could place an order first, do not pay, leave a msg about what extra length you need, contact the seller to adjust the order amount so you could pay.

Q2. How long is the processing and shipment time?

A: There will be a 24-hour payment verifying time by aliexpress, we will ship the goods within 24 hours after the verifying time, shipment will take 3-5 days.

Q3. How long does it last?

A : It depends on how you to care it. Treat it like your own hair and take very good care for it, then normally it could last several years. Some people keep it for 4-5 years, but some just keep it half of one year.

Q4: Why the color of hair extensions don't seem exactly as the pictures show or description says?

A: 1. Different monitor have different displays so the same color number may have a little color difference. You could dye the hair to be the color that you want.

Q5: Can they be straightened & curled?

A: Yes.

You could use hair straightener or hair curler to style the virgin hair . However, don't do it too frequently, or the heat will make the hair easily get dry and tangled.
