#### FAQ:

Q1. How is the hair deloused?

A: Our hair is strict on selection, so we don't source the hair with nits. After we collect the hair, our workers will use water to clean them by hand without chemical, just unprocessed hair.

Q2. How is the hair collected?

A: The raw materials are imported from overseas (Brazil, Peru, Mongolian, Cambodian, India, Malaysian,

Europe etc.) We have the special department to collect the hair, and all the hair is strict on selection, cut from young girls, one bundle cut from one donor.

Q3. Are grays and split ends removed?

A: All of our hair is clean and healthy after manufacture finish by factory, we will use the clean bag to package it and we will not open the package bag. Every time before we ship the hair to our customers we will check the package bag whether broken, we just send the good package hair to our customers. After customers receive the hair, they can wear on head directly.

Q4. What do you put on the hair to steam perm it?

A: Our hair is high steaming, our factory owns the professional steamer to perm the hair and without chemical materials.
