 Factory wholesale price
 More orders, more discounts
 Convenient services:
 Different length sizes are all in stock, so you can get what you want as soon as possible
 Customer Logo design service if you need.
 Customer satisfaction package according to your requirements

Washing Test:

1. Wash and condition hair regularly
2. Detangle hair gently before washing. Do not rub or twist hair
3. Add mild shampoo to cool water and swish hair till clean.
4. Blot out excess water with towel and allow hair to dry naturally Do not expose to sun.
5. Comb curly hair gently with your fingers from end to top. Do not brush
6. Brush straighter hair in a downward motion straight with the ends. Work your way up to the roots.
7. Certain items should not be brushed. Consult your hair stylist if in doubt.
8. Hair may be tangled if general care directions are not followed properly.

Common Questions from Customers:

1: How to distinguish human hair with synthetic hair?
 Just burning and smell: human hair will be ash, smell foul and show white smoke. While synthetic hair will be a sticky ball and show black smoke. Moreover, human hair may have very few gray hairs and split ends. It is normal and not a quality problem.

2. Can I wash & blow-dry the hair?

You can wash them as you would your own shampoo and conditioner. We also recommend using a hair treatment on them every few weeks, because the hair is not attached to your scalp, it is not getting the oils it should be. Using a treatment/hair mask will need to wash your extensions too much, about every 3 weeks. The extensions can be blow-dried on low setting, but it is not recommended to do it too often. It is best to let your hair extensions dry naturally after washing them.

3. Why my hair getting tangled?

Your hair extensions can tangle due to dryness, oil & dirt build-up, salt water, chlorine and not combing (wide tooth comb) out your hair daily. Make sure to wash & condition your hair at least once a week, twice a week is better. Use hydrating drops or consult your stylist for more help.
