12"-14": 2 bundles

16"-22": 3 bundles

24"-28": 3 bundles or more

Q2. What type of hair care products should I use?

A2 : Treat this hair extension just as if it was your own hair.

1. Use good quality shampoo and hair conditioner to care the hair. It's important to keep the hair soft and shiny.

2. You could use gel or spray styling products to keep the hair style.

3. Olive oil will be a good choice to keep the hair healthy.

Q3: Can they be straightened, curled ?

A3: Yes you could use hair straightener or hair curler to style the Brazilian virgin hair . However, don't do it too frequently, or the heat will make the hair easily get dry and tangled.

Q4: Can I dye/color the hair Extension ?

A4: Yes. The hair can be colored. As a general rule it is easier to darken the hair than to lighten the hair. We recommend to dye darker, since it is difficult for the original color to fade. Human virgin hair extension in competitive price.

Improper dying will ruin the hair. We highly recommend to have your hairdresser dye the human hair extension.

Coloring by yourself will take a risk of not coming out the shade you want. If you can't get to a salon, please always use a good quality products and test a small sample first.
