FAQ:

Q1. Why my hair extensions are getting tangled?

Your Brazilian hair Extensions are getting tangled due to dryness. Make sure to wash your hair at least once a week, twice a

week is better. To avoid tangling while you sleep, wrap hair up with a satin scarf or use a satin sleep cap or a satin pillow case to prevent friction.

Q2. Will people be able to see if I am wearing hair extension?

The Brazilian hair is undetectable when in place and will stay in place until you remove them. Nobody will know they are there unless you tell them.

Q3. For average head size, here is my suggestion:

12"-14": 2 bundles

16"-22": 3 bundles

24"-28": 4 bundles or more

And if use with a top closure, will look much perfect.

Q4. Why the colors of hair extensions don't seem exactly as the pictures show or description says?

Different monitor have different displays. The same color number may have a little color difference. You could dye the Hair Wholesale if you need different colors.
