Hair Maintenance

Washing instructions:

First of all, you need to wash your hair on a regular basis
Detangle hair from ends to roots before washing
Wash with gentle warm water, using the shampoo. Do not rub or twist the hair.
After shampooing, you can use the conditioner to bring shine.
Once shampooed and conditioned, gently squeeze out excess water and dry hair with towel. Once again avoid rubbing and twisting the hair using a towel.

Brushing:

Brush your hair weaving using a wide toothed comb daily.
Don't use hard plastic bristle brush, avoiding these to pull or stretch your hair curtain

Re-Styling:

Re-Styling products is acceptable, specially designed for hair weavings. But do not apply any oils or waxes to the hair weaving.

Coloring:

We do not recommend dying hair weavings, because if not treated properly, the hair will be damaged.
