Q2: Why the Colors of Hair Extensions Don't Seems Exactly as the Pictures Show Or Description Says?

A: Different monitor have different displays. The same color number may have a little color difference. You could dye the Brazilian virgin hair if you need different color.

Q3: Can They Be Straightened and Curled ?

A: Yes you could use hair straightener or hair curler to style the Brazilian virgin hair. However, don't do it too frequently, or the heat will make the hair easily get dry and tangled.

Q4: Can I Dye / Color The Hair?

A. Yes! The hair can be colored. As a general rule it is easier to darken the hair than to lighten the hair. We recommend to dye darker, since it is difficult for the original color to fade. Brazilian virgin hair extension in competitive price.

Improper dying will ruin the hair. We highly recommend having your hairdresser dye the Brazilian virgin hair . Coloring by yourself will take a risk of not coming out the shade you want. If you can't get to a salon, please always use a good quality products and test a small sample first.
