#### Daily Hair Care

Don't cut the hair weft into small pieces when fix it, which makes the hair easy to shed.

Don't color the extensions by yourself; leave that to the professional hairdresser.

Pull hair into a ponytail with a hair tie before going to bed, then it will not get tough.

Brush your hair several times a day, and it can keep the hair away from tangling. But if you bought the curly hair, please don't comb or brush it, just use your fingers to go through the curly hair.

Wash your hair regularly with hair shampoo & hair conditioner in warm water. And brush the hair inside water if it's a little tangling and it's better to dry the hair with towel.

Spray the hair with nutrition hair care oil once a week to keep it moisturized.
