About Shedding

Some friends maybe complain about shedding after they running through the hair with fingers. Usually it won't shedding If you don't run through roughly. And it is normally have a litter stands when you first time running through hair.

Running the hair with fingers

It just have 1-2 strands of hair loss, very minimal or no shedding

If you cut the hair weft into hair pieces, the edges which you have cut must be looser than before. So suggest you to seal the weft again to avoid shedding

We suggest you can use the weft sealer, put it on the edges which you have cut, it will be good enough to prevent shedding

Kindly Remind:

If you cut the hair weft to hair pieces and don't seal the weft again, it may shed a lot, because it's looser than before

Hair wash and care

1)Wash the hair at least once a week,use mild and good quality shampoo and conditioning products
2)Don't grasp the root of hair overexert when washing.Comb the hair with round widetooth comb
3)Let the hair air-dry instead of blow-dry Don't make the hair under the blazing sun for quite a long time
4)Before going to bed,braid your hair into one loose large braid at the back of the neck to protect it from tangling,after waking up,undo braids
5)Wash the hair immediately after swimming!Be sure to always wear swim cap made of latex
6)Always ask your stylist before attempting any styling techniques you are unsure about.Do not dye or curl hair frequently,use nutrition water to protect the hair
