FAQ

Q1. How long does it last?

A: This hair can last for a very long time depending on how you maintain it. Treat it like your own hair and take very good care of it for it to last longer. If you take good care of the hair, it lasts for over one year.

Q2. Why are my hair extensions getting tangled?

A: Your Unprocessed cheap mink brazilian straight hair weave bundles can tangle due to being too dryness, oil & dirt build-up, salt-water, chlorine and not combing (wide tooth comb) out your hair daily. Make sure to wash & condition your hair at least once a week, twice a week is better. Use hydrating drops or consult your stylist for more help.

Q3. Can I dye BBOSS hair?

yes. Please have a professional color your hair for you can over process your extensions.

Q4.Can I go swimming?

You may go in swimming pools and hot tubs. It is best to wash hair right after swimming. Avoid getting hair in salt water as the salt can take all the moisture out of the hair and it will lead to tangling of the hair. Never braid your hair and go in salt water. It is best to wear it down. Add a spray in conditioner after swimming.
