Answer and Question

Q1. How long does the hair last?

With proper care (clean and condition the hair regularly, the hair will last 6-10 months).

Q2. How do I know if the hair is human hair?

Human hair has natural protein. It is easy to tell by burning and smell: When it is burnt, human hair has white smoke and smells like wool burnt, and it turns to ash.

Q3. What is the natural color hair?

Our hair is natural color, close to #1b, there is a little color shading between the material and the photo.

Q4. What are your payment terms?

Dear, we accept western union, money gram, TT and paypal. If you pay via western union or money gram, pls kindly check send us the MTCN.

We also need your receiver name, address, phone number, zip code, email, so that we can delivery our hair for you at first time when we receive your full payment.
