RFQ

Q1: Why are my hair extensions getting tangled?

A: It could be caused by dry hair. Pls make sure to wash & condition your hair at least once a week, twice a week is better. Comb the hair from time to time. You could go to your stylist for further suggestions.

Q2: How long does it last?

A : How long the hair lasts depends on how you maintain it. Treat it like your own hair and take very good care of it, then normally it could last longer than 1 year.

Q3: Why the colors of hair extensions don't seems exactly as the pictures show or description says?

A: Different monitor have different displays. The same color number may have a little color difference. You could dye the virgin hair if you need

different colour.

Q4: Can they be straightened, curled ?

A: Yes you could use hair straightener or hair curler to style the Peruvian virgin hair . However, don't do it too frequently, or the heat will make the hair easily get dry and tangled.

Q5: Can I dye/color the hair?

A. Yes. The hair can be colored. As a general rule it is easier to darken the hair than to lighten the hair. We recommend to dye darker, since it is difficult for the original colour to fade. Improper dying will ruin the hair. We highly recommend having your hairdresser dye the Peruvian virgin hair . Colouring by yourself will take a risk of not coming out the shade you want. If you can't get to a salon, please always use a good quality products and test a small sample first.

Q6: How to distinguish human hair with synthetic hair?

A: Human hair has natural protein . It is easy to tell by burning and smell : human hair will be ash , which will go away after pinching. Virgin human hair will smell foul . When burning , the human hair will show white smoke. While synthetic hair will be a sticky ball after burning and will show black smoke. Moreover, human hair may have very few gray hair and split ends. It is normal and not a quality problem.

Q7: I want to know more info,what should I do?

A:Welcome talk with us on line or leave a message.

Also sending us e-mail.We will reply your messages within 24 hours in working day.
