#### Description

They come in various sizes & styles, suitable for any outdoor party, wedding, corporate event, exhibition or festival.

Our waterproof, inflatable, structures provide a jaw-dropping temporary shelter for your function, whatever the weather. The inflatables can be installed quickly and easily by a small team in less than an hour, providing a striking, economical alternative to traditional marquee hire.

We deliver much more than a prominent event space though. Our award-winning background in festivals & events, has given us the knowledge & experience to transform an igloo into your unique playground.

#### Advantages

1. Inflatable tent is easy assemble, put away and carry.
2. It can be set in beaches, mountains, gardens, outdoor shelters to keep people much more comfortable staying.
3. It can be widely used in Trade show, Entertainment, Sports, Festivals and Carnivals, Amusement parks, camping, Rental business, Family use, Exhibitions, Outdoor advertising and other outdoor activities etc.
4. If you have your own company's logo or slogan to print on the bubble tents, they will be free!!
5. All of our Inflatable bubble tents are very safe, waterproof and fireproof. Multiple design capability makes a very versatile component for multiple events and promotional initiatives.

#### Feature

The flysheet has been manufactured with a high-quality polyester which has an insane Hydrostatic Head rating of 4000mm. You can rest assured no water will penetrate this material, as long as there are no rips and tears. The Protex 70 Denier material is also fire retardant, so you don't need to worry about sparks and embers lighting up your tent. The Odyssey line has a patented tensioning system named the Vango TBS II, you will see this appear in many of their models and helps to improve the stability by using a tensioning band system to pull and hold the framework in place.
