Product Description

This Inflatable roof top tent is a tent developed and designed by our company, and has been patented. At present, only we have it in the market. It really achieves small size and light weight, and its internal space is very large. When you complete the installation, it can meet the needs of a family of three. Designed for year-round protection, this rugged tent boasts heavy-duty polyester and cotton fabrics with waterproof treatments to keep rain, snow, and moisture out. Is equivalent to bringing a warm home with you.

Features

1. It's really convenient to carry, its size is less than the size of a suitcase, and the net weight of the tent is only 50Kg
2. Four season tent built to endure the elements of any season and climate
3. Can accommodate up to 3 people - Tent fabric is both UV and mold resistant to withstand the elements of any season
4. large internal pockets for storing gear and camping accessories - Includes a high-density foam mattress for added comfort
5. Easily swap out the canopy depending on the season and weather conditions (Additional canopies sold separately)
