## Product Description

### 4 Man Double Inflatable Air Tent PVC Clear Windows Waterproof

#### Detail

Our favourite tent of the year, the Coleman Cortes Octagon 8 man tent is a refreshing design of tent. Perfect for many types of camping events, the Octagon 8 is versatile and can be used as a day tent, a festival tent or as a couples tent. The Octagon 8 pitches inner tent first, and can be left as a free standing inner tent, if camping in warmer, dry conditions. However, if camping in the unpredictable UK climate, we would recommend attaching the waterproof flysheet over the top of the inner tent. The Cortes Octagon also features a sewn-in groundsheet, which protects you from the creepy crawlies, and any draughts.
