Description

Giving gifts is easy when you can just pop them in a decorative box like the Moon and Sun Gift Box from Spritz™. The base of this decorative gift box with lid features an all-over pattern of stars, polka dots and the word "baby" against a green backdrop, while the gray lid boasts a sweet image of a snoozing sun, moon and clouds surrounded by stars. This box makes a great pick for baby shower gifts and new baby gifts, and can even be kept to be used as a keepsakes box as the little gift recipient gets older.
