

Metal Privacy Panel CNC Fiber Laser Cutting Machines Balconies

Our Product Introduction

for more products please visit us on ladyshairextensions.com

Basic Information

- Place of Origin: 00
- Brand Name: 2
- Certification: 3
- Model Number: CNC Fiber
- Minimum Order Quantity: 100
- Price: 2.45-6.56
- Packaging Details: 付款方式
- Delivery Time: 供 能力
- Payment Terms: 期限
- Supply Ability: 常 包装

Product Specification

- CNC Or Not: Yes
- Products Handled: Sheet Metal And Tube
- Feature: 3D
- Max Speed: 20m/min
- Laser Head: Raytools
- Graphic Format Supported: AI, BMP, DST, DXF, DXP, PLT
- Metal: Type Iron
- Thickness: 203*193*15cm
- Box Type: Self Erecting Boxes
- Radiation Power: 840~1300MW
- Metal Type: Iron
- Universal Type: Fit For 80% Model Cars' Injectors
- Universal Type: Fit For 80% Model Cars' Injectors
- Indian Hair: Yes
- Size: 390x240x185cm

Product Description

Metal Privacy Panel CNC Fiber Laser Cutting Machines Balconies

Quick Details

Application:
 LASER CUTTING
 Applicable Material:
 Metal
 Condition:
 New
 Laser Type:
 Fiber Laser
 Cutting Area:
 1500mm*3000mm
 Cutting Speed:
 30m/min
 Graphic Format Supported:
 AI, PLT, DXF, BMP, Dst, Dwg, LAS, DXF
 CNC or Not:
 Yes
 Cooling Mode:
 Air Cooling
 Control Software:
 Cypcut
 Place of Origin:
 Anhui, China
 Brand Name:
 BLMA
 Laser Source Brand:
 RAYCUS
 Laser Head Brand:
 Raytools
 Servo Motor Brand:
 Yaskawa
 Guiderail Brand:
 HIWIN
 Control System Brand:
 Beckhoff

Applicable Materials

The dual heads laser cutting machine is suitable for metal cutting and nonmetal cutting, like stainless steel sheet, mild steel plate, carbon steel sheet, alloy steel plate, spring steel sheet, iron plate, galvanized iron, galvanized sheet, aluminum plate, copper sheet, brass sheet, bronze plate, old plate, silver plate, titanium plate, metal sheet, metal plate, etc. metal materials, and organic glass, leather, cloth, acrylic, wood, mdf, pvc, plywood, maple leaf, double-color sheet, bamboo, plexiglas, paper, leather, marble, ceramics, etc. nonmetal materials.

Packing & Delivery

Leapion Laser Company is becoming the Chinese TOP in the laser engraving, cutting and marking industry. We are innovators. We are problem solvers.

Leapion Laser Company is committed to designing and manufacturing the highest-quality laser cutting machines and cnc router machine.

Original concept of Leapion is to bring CO2 laser engraving systems to both commercial customers, small business owners and the home craftsman.

Over the years we developed larger, more powerful CO2 laser systems and fiber laser cutting and marking machine.

FAQ

1) I know little about laser machine, what's the laser power I should choose? It is easy to choose. Just tell us what's material do you want to cut with the machine, and the thickness of materials, then let us give you perfect solutions and suggestions.

2) When I got this machine, but I did not know how to use it. What should I do?

We will send video and English manual with the machine. If you still have some doubts, we can talk online with WhatsApp, Wechat etc.

3) If some problems happened during warranty period, what should I do?

We will supply free parts in machine warranty period after talking with our service team. We also supply free after-service forever, so any doubts, just us know, we will give you solutions as soon as possible.

4) What is the MOQ? MOQ for our products is 1 set machine. If you buy 3 sets one time, you will have the agent price, enjoy better price.

5) I am the first time to import the goods, how to do it?

We are experienced with many years, this work is not complex, we can help you.
