

All Copper Core Welding Machine MIG Welding Machine 200 A DC

Our Product Introduction

for more products please visit us on ladyshairextensions.com

Basic Information

- Place of Origin: 00
- Brand Name: 2
- Certification: 3
- Model Number: MIG
- Minimum Order Quantity: 100
- Price: 3.5-16.9
- Packaging Details:
- Delivery Time:
- Payment Terms:
- Supply Ability:

Product Specification

- Materia: Aluminium Alloy
- Dimensions: 475*234*410mm
- Voltage: 54V
- Insulation Clas: F
- Quality: Perfect
- Arc Current: Standard
- Metal: Type Iron
- Thickness: 203*193*15cm
- Box Type: Self Erecting Boxes
- Radiation Power: 840~1300MW
- Metal Type: Iron
- Universal Type: Fit For 80% Model Cars' Injectors
- Indian Hair: Yes
- Indian Hair: Yes
- Size: 390x240x185cm

Product Description

All Copper Core Welding Machine MIG Welding Machine 200 A DC

Quick Details

Place of Origin:
Shandong, China
Motor Type:
AC Motor
Rated Duty Cycle:
Standard
Pilot Arc Current:
Standard
Pulse Frequency:
Standard
Arc Current:
Standard
Core Components:
PLC, Motor
Warranty of core components:
1 Year
Marketing Type:
New Product 2022
Machinery Test Report:
Provided
Video outgoing-inspection:
Provided
Type:
MIG Welders
Condition:
New
Brand Name:
no

Description

hich was established in the early 1980 has been the producer of quality welding machine for more than 35 years. It covers an area of 35,000 square meters. SIHIO is one of China largest producers of welding equipment and offers the widest assortment of models in the product lines. The main product lines include the following models: Inverter MMA, Inverter MIG, Plasma Cutting, Power Inverter , Ac Arc Welder [BX1,BX3.BX6.), MIG/MAGseries (MIGSTAR] and Battery Charger/STARTER series (RHINE,BOOSTSTAR).

Features

- * Multi- function: MIG/MAG, MMA, gas shield spot welding
- * Premium molten metal globule feature function combined with specialized arc-start circuit results in an almost perfect rate of arc ignition
- * High-speed feed-back circuit,anti-jamming, anti-interruption circuit results in a reliable welding experience
- * Waveform controlling technology reduces splash and supports welding from all positions
- * Digital design and highly integrated circuit reduces interference and failure rate

FAQ:

Q1: Are you a factory or trading company?

A: We are a factory and we have a special agent for foreign trading.

Q2: Can I get some samples?

A: Yes, after price and order confirmed, you can require for samples. We are glad to offer you samples.

Q3: How does your factory do regarding quality control?

A: Our factory has gained CE certificate, CCC certificate and ISO9002 authentication. Quality makes us who we are today. We focus on the quality from the very beginning to the end.

Q4: When can I get the quotation?

A: We usually quote within 24 hours after we get your inquiry. If you are urgent to get the price,please send the message on trade management or call us directly. In a word, we'll reply you as soon as possible.

Q5: Why should I trust you? Why should I choose you?

A: We've been specializing in air compressors for 35 years, we have the most professional production team; the most reliable quality, with 18 million dollars exporting gross value.
