

Inverter IGBT MCU Double Pulse Welder Welding Equipment MIG-250

Our Product Introduction

for more products please visit us on ladyshairextensions.com

Basic Information

- Place of Origin: 00
- Brand Name: 2
- Certification: 3
- Model Number: MIG
- Minimum Order Quantity: 100
- Price: 3.5-16.9
- Packaging Details: 付款方式
- Delivery Time: 供 能力
- Payment Terms: 期限
- Supply Ability: 常 包装

Product Specification

- Load Power: 7.1KVA
- Brand Name: Coofix
- Model: NB-280YT
- Rated Input: 60Hz
- Condition: Perfect
- Pulse TIG: 1%-50%
- Metal: Type Iron
- Thickness: 203*193*15cm
- Box Type: Self Erecting Boxes
- Radiation Power: 840~1300MW
- Metal Type: Iron
- Universal Type: Fit For 80% Model Cars' Injectors
- Indian Hair: Yes
- Size: 390x240x185cm
- Hair Styles: Body Wave, Straight

Product Description

Inverter IGBT MCU Double Pulse Welder Welding Equipment MIG-250

Quick Details

Warranty:

1year

Packing:

Carton Packing

MOQ:

100

Brand:

oem

output voltage:

127v/220v

Name:

welding machine

Dimension (L x W x H):

29cm*15cm*18.5cm

Weight:

2.85kg

Rated Output Current:

20-120v

Phase:

Single phase

For Material Type:

Steel, Copper Alloys

Welding Process:

TIG, Stick

Model Number:

MIG-120Q

Brand Name:

coofix

Place of Origin:

Zhejiang, China

Customized support:

OEM, ODM

Description

RETOP does business through an ever-increasing focus on customers' welding challenges and applications and, ultimately, their complete satisfaction. Our passion is to improve existing products and to develop new applications that benefit our customers and meet their constantly changing need. We offer customers the best welding products and we also offer them the flexibilities in product design and construction, coupled with superior services before and after sale. With our dedicated commitment to customer services, you will find that we are easy to contact, easy to work with and easy to get information from we are here to help you.

Features

Quality first and service best is the faith we keep all the time. As we look to the future, we will continue to make progress by implementing a philosophy that stresses quality and service in all of our operations, thus making our future even stronger. We own completely independent product design and development ability; first-class technology staff troop; excellent production facilities. And we follow rigorous testing standards which guarantees product quality. We do not pursue the best, but we always pursue the better. Your satisfaction is also our gratification. We believe that we can be your most trustful partner.

FAQ:

Q: Are you a factory or trading company?
