

## Multi Function MIG-230 Inverter Aluminium MIG/MMA Welding Machine

Our Product Introduction

for more products please visit us on [ladyshairextensions.com](http://ladyshairextensions.com)

### Basic Information

- Place of Origin: 00
- Brand Name: 2
- Certification: 3
- Model Number: MIG
- Minimum Order Quantity: 100
- Price: 3.5-16.9
- Packaging Details: 付款方式
- Delivery Time: 供 能力
- Payment Terms: 期限
- Supply Ability: 常 包装

### Product Specification

- Wire Feed Speed: 3-15m/min
- Brand Name: Coofix
- Model: NB-280YT
- Gas Flow: 15-20L/min
- Condition: Perfect
- Pulse TIG: 1%-50%
- Metal: Type Iron
- Metal: Type Iron
- Thickness: 203\*193\*15cm
- Box Type: Self Erecting Boxes
- Radiation Power: 840~1300MW
- Metal Type: Iron
- Universal Type: Fit For 80% Model Cars' Injectors
- Indian Hair: Yes
- Size: 390x240x185cm

## Product Description

### Multi Function MIG-230 Inverter Aluminium MIG/MMA Welding Machine

#### Quick Details

Material / Metal Processed:

Carbon steel

Machinery Test Report:

Provided

Applicable Industries:

Building Material Shops, Manufacturing Plant, Construction works , Energy & Mining, Advertising Company

Key Selling Points:

Easy to Operate

Warranty:

1 Year

Weight (KG):

25 KG

Usage:

welding

Brand Name:

TAYOR

Place of Origin:

Shanghai, China

Condition:

New

Wire Feeding Speed:

25 m/min

Rated Duty Cycle @40°C (MIG):

35%

Welding Current/Voltage Range:

40~280

Rated Output Voltage (MIG):

15 V

Rated Output Current (MIG):

280

Max. Load Power Capacity:

8 kVA

Wire Melting Type:

Short Circuit Transfer

Rated Input Voltage:

380 V

#### Description

RETOP does business through an ever-increasing focus on customers' welding challenges and applications and, ultimately, their complete satisfaction. Our passion is to improve existing products and to develop new applications that benefit our customers and meet their constantly changing need. We offer customers the best welding products and we also offer them the flexibilities in product design and construction, coupled with superior services before and after sale. With our dedicated commitment to customer services, you will find that we are easy to contact, easy to work with and easy to get information from we are here to help you.

#### Features

RETOP does business through an ever-increasing focus on customers' welding challenges and applications and, ultimately, their complete satisfaction. Our passion is to improve existing products and to develop new applications that benefit our customers and meet their constantly changing need. We offer customers the best welding products and we also offer them the flexibilities in product design and construction, coupled with superior services before and after sale. With our dedicated commitment to customer services, you will find that we are easy to contact, easy to work with and easy to get information from we are here to help you.

Quality first and service best is the faith we keep all the time. As we look to the future, we will continue to make progress by implementing a philosophy that stresses quality and service in all of our operations, thus making our future even stronger.

#### FAQ:

Q: Are you a factory or trading company?

A: We are a factory.

Q: Where is your factory located?

A: Our factory is located in Wenling, Zhejiang Province. 30 mins from Luqiao Airport by car, 2.5 hours from Ningbo Airport by car, 4 hours from Shanghai Airport by car.

Q: How about quality control in your factory?

A: Kaitai staffs are always paying great attentions to quality controlling from the beginning to the end and testing one by one.

Q:How about guarantee?

A: It's within 1 year after goods is discharged in the destination.
