

PLC Control Circular Seam MIG Welding Machine With Rotating System

Our Product Introduction

for more products please visit us on ladyshairextensions.com

Basic Information

- Place of Origin: 00
- Brand Name: 2
- Certification: 3
- Model Number: MIG
- Minimum Order Quantity: 100
- Price: 3.5-16.9
- Packaging Details: 付款方式
- Delivery Time: 供 能力
- Payment Terms: 期限
- Supply Ability: 常 包装

Product Specification

- Voltage: AC160V-270V
- Duty Cycle: 60%
- Model: NB-280YT
- Output Current: 20A-140A
- Condition: Perfect
- Inspection: Provided
- Metal: Type Iron
- Thickness: 203*193*15cm
- Box Type: Self Erecting Boxes
- Radiation Power: 840~1300MW
- Metal Type: Iron
- Universal Type: Fit For 80% Model Cars' Injectors
- Indian Hair: Yes
- Size: 390x240x185cm
- Hair Styles: Body Wave, Straight

Product Description

PLC Control Circular Seam MIG Welding Machine With Rotating System

Quick Details

Material / Metal Processed:

Carbon steel

Applicable Industries:

Hotels, Garment Shops, Building Material Shops, Machinery Repair Shops, M

Key Selling Points:

Easy to Operate

Warranty:

1 year

Weight (KG):

6.7 KG

Usage:

welding

Dimensions:

450*200*350

Brand Name:

GOLDEN ELEPHANT

Place of Origin:

Guangdong, China

Condition:

New

Wire Feeding Speed:

18 m/min

Rated Duty Cycle @40°C (MIG):

60%

Rated Output Voltage (MIG):

22 V

Rated Output Current (MIG):

200 A

Max. Load Power Capacity:

5.4 kVA

Wire Melting Type:

Globular Transfer

Rated Input Voltage:

220 V

Description

RETOP does business through an ever-increasing focus on customers' welding challenges and applications and, ultimately, their complete satisfaction. Our passion is to improve existing products and to develop new applications that benefit our customers and meet their constantly changing need. We offer customers the best welding products and we also offer them the flexibilities in product design and construction, coupled with superior services before and after sale. With our dedicated commitment to customer services, you will find that we are easy to contact, easy to work with and easy to get information from we are here to help you.

Features

Quality first and service best is the faith we keep all the time. As we look to the future, we will continue to make progress by implementing a philosophy that stresses quality and service in all of our operations, thus making our future even stronger. We own completely independent product design and development ability; first-class technology staff troop; excellent production facilities. And we follow rigorous testing standards which guarantees product quality. We do not pursue the best, but we always pursue the better. Your satisfaction is also our gratification. We believe that we can be your most trustful partner.

FAQ

Q: Are you a factory or trading company?
