What is U-micco Fiber?

U-micco Fiber has many characteristics: air permeability, cushioning characteristics, water permeability, durability, safe, antibacterial properties and kind to the environment to name but a few. Mattresses and pillows made with U-micco Fiber are not prone to sweatiness and this makes it easy for you to move around and turn over in bed at night. U-micco Fiber bedding allows you to sleep as much as you want in comfort.

Moreover, U-micco Fiber is widely used in hospitals and care facilities because it is easy to wash and also conforms to SEK standards* to limit the propagation of bacteria.

What is trade guarantee?

Trade Assurance is a free payment protection service for buyers.

This service is provided by participating suppliers to protect your payment, if your order is not delivered on time, or the quality of products before shipment (optional).

It is not in conformity with the terms stipulated in your contract.

Your payment is protected. The highest amount of 100%- agreed between you and the supplier is called trade guarantee order amount.

Care and Use

Finding a mattress that works for all the sleeping positions can be a challenge, but is possible with U-micco queen mattress. It provides each sleeping position a good amount of support, from the stomach to the side to the back, to keep the body and spine aligned.

This queen mattress work1. Design to help solve 4 common sleep problems:lossing and turning, back support and alignment, partner movement and sagging.2. Diffuses the body's pressure points for a more relaxed night's sleep3. Memory foam which pressure relieve and gives you the support you will need night after night.4. Ideal for all physiques and all sleeping positions.
