Home Furniture

Description

【Double-sided Design】 U-micco mattress is characterized by a high-density structure and excellent flexibility, which guarantee shape stability all day. It offers two types of sleeping experience: supportive hard and bouncy soft. The hard side can effectively support the pelvis, which is suitable for people with lumbar spine pain, The soft bouncy accommodate your different comfort preferences, and fits on a variety of beds.

【Washable and Lightweight】 Time to say goodbye to dirt. U-micco 4D Air Fiber mattress and covers are 100% machine washable. Feel free to use our mattress for office chairs, dining chairs, while driving, airplane travel, stadium seating, picnics, and even sitting outdoors. Our mattress is super light-weighted and ready to go everywhere with you.

【Design for Sedentary 】 Our mattress are delicately designed to avoid hip muscle numbness and lumbar strain. Based on human engineering, it works effectively on various body pain prevention and alleviation including, lumbar strain, sciatica, and low back pain. Get a 4D Air Fiber mattress, and don't hesitate to give your body a better relaxing time.
