

Supermarket Shelves Display Double Side Shelves Fruit Display Rack

Our Product Introduction

Basic Information

- Place of Origin: 00
- Brand Name: 2
- Certification: 3
- Model Number: HY1LS-20
- Minimum Order Quantity: 100
- Price: 3.5-16.9
- Packaging Details: 付款方式
- Delivery Time: 供 能力
- Payment Terms: 期限
- Supply Ability: 常 包装

Product Specification

- Fabric: Hebei, China
- MOA: Breathable
- Hotel: Bedroom Furniture
- Brand: Skylee
- Product: Coil Plastic Mattress
- Material: Customized
- Metal: Type Iron
- Thickness: 203*193*15cm
- Box Type: Self Erecting Boxes
- Radiation Power: 840~1300MW
- Metal Type: Iron
- Universal Type: Fit For 80% Model Cars' Injectors
- Indian Hair: Yes
- Size: 390x240x185cm
- Size: 390x240x185cm

Product Description

Supermarket Shelves Display Double Side Shelves Fruit Display Rack

Quick Details

Feature:

Removable Cover, Flippable, Hypo-allergenic, Anti-mite and antibacterial

Advantage:

Eco Friendly Breathable

Usage:

Bed Sleeping

Material:

Fabric:Knitting fabric Core material: polyolefin

Logo:

Customized Logo

Style:

fashion

Topper Material:

POE

Cover Material:

100% polyester

Brand Name:

airnice

Place of Origin:

Zhejiang, China

Type:

Air

Design Style:

Modern

Application:

Bedroom, Babies and kids, Outdoor, Hotel, Apartment, Office Building, Hospital, School, Leisure Facilities, Farmhouse, Courtyard, Basement, Other

Mail packing:

N

General Use:

Home Furniture

Description

【Welcome old and new consumers order high polymer healthy household articles! Made up of polymerized three-dimensional elastic structure, the newly researched 3D high polymer pillow core provides a elasticity different from sponge and spring. Our products are tested 250,000 times, no compression and no deformation! People will feel very comfortable people lie on their side or back, it can fully undertake the body, make people go into deep sleep easily and sleep well all night long. From now on, sleeping is no longer tired!high toughness, it can uniformly disperse pressure and fully support the body. Our products are tested 80,000 times, no compression and no deformation!

ashing the core

Hi~We are a diversified scientific and technological innovation factory integrating scientific research, design and production of new materials. Our company and the Dow Chemical Group of the United States jointly developed polymer elastic materials, which have followed advantages: strong ventilation and heat dissipation, anti-mold, anti-bacterial, anti-mite, formaldehyde-free, easy to clean, strong elasticity, light weight, durable and more environmentally friendly. It can replace traditional filling materials such as sponge, spring, latex, coconut palm, etc., and is very suitable for the development of new mattresses/seat cushions and other products.

Washing the Cover:

1. Washing the outer cover before first use is optional.
2. Cover zips off and goes right in the washing machine.
3. Be sure to leave the cover zipped for best results.
4. Wash alone, or with the encasement only to avoid damage to the fabric.
5. Wash on cold with a mild detergent.
6. Tumble dry on low heat. Dry thoroughly. DO NOT hang dry.
7. Wash the outer cover as often as you like.
