#### Product Description

We know choosing your office chair can be a commitment. It's something you'll sit in for 8+ hours every day. So we give you 100 days to try it out at home or work. Other swivel chairs use cheap, plastic wheels that can destroy your flooring. That didn't seem to make sense. So instead, this ergonomic task chair comes equipped with our caster wheels. Guaranteed not to scratch or leave marks on any surface. Do you ever have back pain from sitting at your desk? This is usually because your office chair is missing the correct back support or cannot adjust for proper posture. Not anymore. This chair will fully support your spine and allow for perfect posture. So you can go about your day without an aching back.

#### Mesh Breathable High Back Office Use Ergonomic Office Revolving Chairs Advantages

Combination of creativity and ergonomics makes great comfort  
Same model with different configurations for different demands  
Human-oriented design with human S-curve  
Full series suitable for multiple application in different spaces  
Featured material selections  
Multiple color options

#### Package Includes

Racing style Chair  
Installation Hardware  
Installation Tool
