#### Product Description

**Ergonomic Design:** Our ergonomic office chair, Altes, with adjustable headrest and lumbar support is designed to fit your body curve and ensure you to sit comfortably.

**Comfortable Performance:** The padded seat, made of high density molded shaping foam and covered with a breathable mesh fabric, is making this piece of furniture great for relaxing during your busy working days.

**Multi-functions Mechanism:** This mesh office chair has many adjustable features to ensure you to find a good seat position. The headrest and the seat could go up and down, the backrest could tilted for three positions.

**Breathable Material:** Desk chair is using high-density sponge cushion, that is more flexible than before.

Our office chair with professional headrest, well-made armrests and lumbar support offers a great comfort when you are up to work or study both.

**Easy Assembly:** The Office chair comes with all hardware & necessary tools packed. It can be installed within 15 minutes.

#### Product Advantage

Whether you work from home or need to upgrade your gaming chair, home office furniture is a must-have these days. Feel energized and stress-free to get your to-do list checked off with a comfortable Serta office chair. Whether you need an ergonomic leather executive chair, or an armless task chair and standing computer desk to maximize your small workspace, Serta has found the best home office furniture for all day comfort and productivity. Find a reason to relax during your workday with the Serta Executive Office Chair from Serta, a brand known for quality and comfort. This ergonomic desk chair has layered body pillows and a pillowed headrest to provide ease while seated for long periods of time. The hand-sculpted arms and smooth bonded leather upholstery have a sleek, professional look that stands out in any work environment. Fully adjustable, this executive office chair allows the user to customize the height and lumbar zone for optimal comfort. This desk chair has a five-layer cushioning system for all day comfort and support.
