

Track Lights LED 30W Beam Moving Head Light Club Event Decoration

Our Product Introduction

Basic Information

- Place of Origin: 00
- Brand Name: 2
- Certification: 3
- Model Number: AQ9088
- Minimum Order Quantity: 100
- Packaging Details: 付款方式
- Delivery Time: 供 能力
- Payment Terms: 期限
- Supply Ability: 常 包装

Product Specification

- Power Factor: 0.95
- Housing Color: White
- Working Temperature: 25 - 45
- IP Rating: IP20
- Item Type: Track Lights
- Installation: 3 Phase
- Power: 25W
- Light Source: LED
- Metal: Type Iron
- Thickness: 203*193*15cm
- Box Type: Self Erecting Boxes
- Radiation Power: 840~1300MW
- Metal Type: Iron
- Universal Type: Fit For 80% Model Cars' Injectors
- Indian Hair: Yes

Product Description

Track Lights LED 30W Beam Moving Head Light Club Event Decoration

Product Description:

The black Elation Professional Artiste Picasso is a full-featured, professional, theatrical-grade moving head LED fixture, well-suited for special events and concerts, as well as for TV and film production. The fixture features a 620W cool-white LED engine with advanced optics delivering over 20,000 total lumens. The unit's color wheel has 6 dichroic colors including a High 87 CRI filter, and its gobo wheel has 7 rotating/indexing glass gobos that are interchangeable, and 7 interchangeable, static-stamped metal gobos. Additionally, the instrument features a 4-blade framing beam shaping system with $\pm 45^\circ$ individual blade rotation, full 360° bidirectional animation wheel, 4-facet and linear rotating prisms, two frost filters, internal color, framing, prism, and frost macros, motorized iris with variable pulse effects, motorized focus and auto-focus feature, 16-bit pan, tilt, and dimming control, variable dimming curve modes, high speed electronic shutter and strobe, adjustable LED refresh rate, and gamma brightness for flicker-free operation for TV and film.

Features:

Voltage	AC100 - 240 v, 50-60HZ
Power supply	360 w
Strobe speed	1-20time/sec
Color temperature	3200 k-6500 k (option)
Luminous time	50000 hours or more
Power input	power switch
Shell material	metal
Shell color	black

Quick Details:

1. In order to guarantee the product's life, please don't put it in the damp places or even the environment over 60 degree.
2. Always mount this unit in safe and stable matter.
3. Install or dismantle should be operated by professional engineer.
4. Using lamp, the change rate of power voltage should be within $\pm 10\%$. If the voltage is too high, it will shorten the light's life; if it's not enough, will influence the effect.
5. Please restart it 20 minutes later after turning off the light, until full-cooling. Frequent switching will reduce the life span of lamps and bulbs; intermittent using will improve the life of bulbs and lights

Advantages:

The Compact American DJ VIZI CMY300 is an intelligent, hybrid LED moving head fixture that offers a vast selection of dynamic colors and effects to energize your dance floor or live stage productions. It acts as a beam, spot, and wash all-in-one fixture with a 300W cool white LED engine, powerful enough for concert tour, theater production, and festival stage applications, or large church installations. The DJ VIZI CMY300 can operate in standalone, Master/Slave, or DMX mode. A built-in antenna with DMX WiFly EXR technology enables you to wirelessly control the fixture up to 2500' away. The unit is equipped with an LCD function display on the front panel. The rear panel offers powerCON power I/O, and 3-pin & 5-pin DMX connections.
