- Certification: 3
- Model Number: R1X
- Minimum Order Quantity: 100
- Packaging Details: 付款方式
- Delivery Time: 供 能力
- Payment Terms: 期限
- Supply Ability: 常 包装

Product Specification

- Type: Moving-head Spot
- DMX: 3-pin XLR In/Out
- DMX Mode: 8, 14 Channels
- Sound Active: Yes
- LED: 1 X 75W LED
- LED Type: White
- Illuminance: 12,030 Lux @ 2m (12°), 2,530 Lux @ 2m (17°)
- Beam Angle: 12°, 17°
- Metal: Type Iron
- Thickness: 203*193*15cm
- Thickness: 203*193*15cm
- Box Type: Self Erecting Boxes
- Radiation Power: 840~1300MW
- Radiation Power: 840~1300MW

Product Description

Motorized Focus LED Moving Head Light 170W Cool White Light IRC-6

Showett R1X overview:

The ShowettR1X Spot is powered by a bright 170W cool white LED with a 16° beam angle. The color wheel has eight colors plus white and split, and is capable of continuous, variable-speed scrolling. The two gobos include seven rotating gobos plus the opening on wheel 1, and eight fixed gobos plus the opening on wheel 2. Each wheel has gobo shaking and continuous variable-speed scrolling.

Invigorate your audience with the fun and excitement of the ShowettR1X Spot mobile spotlight. Perfect for DJ, theater, stage and place of worship settings, this LED light fixture adds vivid light and shape to your environment. Between its powerful 170 watt LED lights, 8 gels, 7 gobos, 3-sided prisms, and strobe options, you can create tons of cool effects with the Intimidator Spot 260. The DMX gives you full programming flexibility, but you can keep things simple with an automatic/voice activated program that you can instantly access via the optional IRC-6 wireless remote (not included).

Tech Specs:

| | |
|--------------------|---|
| Pan & Tilt: | Pan - 540°/360°/180° ; Tilt - 270°/180°/90° |
| Power Consumption: | 107W 1.5A , 120V |
| Power Supply: | PowerCon AC In/Out |
| Remote: | IRC-6 (sold separately) |
| Height: | 13.8" |
| Width: | 9.1" |
| Depth: | 6.4" |
| Weight: | 12.2 lbs. |

Features:

1. 170W LED light provides high output with very low heat output or power consumption
2. Cold operation means no downtime for duty cycles
3. RDM support for remote addressing and troubleshooting
4. Optional LED max output to match traditional Rogue R1 points
5. 8 Gel Color Wheel and 7 Slot Gobo Wheel
6. The 3-sided prism can split the beam, the effect is remarkable, and the coverage area is larger
7. Dynamically control various parameters via optional IRC-6 wireless remote control (sold separately)
8. Sound-activated program automatically follows the beat of the music
