#### FQA

1. Q: What are your advantages in the competitive markets?

A: Professional designs, strict quality control, punctual delivery, reasonable price.

2. Q: What shall we do, if we need put logo on products?

A: Pls send the logo by email, attached the picture by PDF or JPEG files, and inform us right color on the pantone.

3. Q: Can I order a sample first before mass production?

A: Yes. And there will be some sample cost, charged based on your design & artwork. We will make the sample hats for you after payment received and take pictures for your reference once finished.

4. Q: Price is a sensitive issue and how do you comment on your price level?

A: Comparing with competitors, our product lines belong to middle and high-end level prices in high quality.

5. Q: Do you have any better ways to quicken the delivery time?

A: Since all process on after the approval of samples, the quick-correct samples will certainly save much time. From the past experience, if the customers want to change the logos or designs after the samples done, the repeat samples will take more time. So please ensure there are no mistake in the first time.
