

## Small Outdoor Wide Lcd Touch Screen Monitors Waterproof Ultra Thin

### Our Product Introduction

#### Basic Information

- Place of Origin: 00
- Brand Name: 2
- Certification: 3
- Minimum Order Quantity: 100
- Packaging Details: 付款方式
- Delivery Time: 供 能力
- Payment Terms: 期限
- Supply Ability: 常 包装

#### Product Specification

- Display Size: 4.2 Inch
- Active Area: 47.8x60.2mm
- Delviery Time: 1-2weeks
- Backlight Type: 4 White LED In Parallel
- Outline Dimession: 50.94x70.60x2.6mm
- Driver IC: ILI1011
- Contrast: 800:1
- Resolution: 1280\*800
- Metal: Type Iron
- Thickness: 203\*193\*15cm
- Box Type: Self Erecting Boxes
- Radiation Power: 840~1300MW
- Metal Type: Iron
- Universal Type: Fit For 80% Model Cars' Injectors
- Indian Hair: Yes

## Product Description

### Small Outdoor Wide Lcd Touch Screen Monitors Waterproof Ultra Thin

#### Product description:

- 01.Support wall-mounted,rack-mounted,desktop,VESA,embedded installation.
- 02.Black or silver color optional
- 03.IP65 grade water-proof,dust-proof for front panel.
- 04.Working temperature:-20-80 degree
- 05.365Days\*24hours all-weather working.
- 06.Support boot strap with electricity
- 07.Aluminum alloy shell,good mechanical properties,better performance of heat dissipation.

#### Product details:

Main parameters	Size	10.1 inch
	Resolution	1280*800
	View Angel	85/85/85/85(L/R/U/D)
	Color	Chrominance:16.7M
	luminance	luminance:300cd/m2
	Contrast	600:1
	ms	6.5ms
	Touch type	Capacitive touch, (Resistive touch,no touch optional)
Hardware	CPU	RTD2483
	Menu	English,Chinese,customized language
	Video Input	PC-RGB:Format Up to 1920*1080@60HZ
		PC-RGB:Color 16bit, 24bit, 32bit
		1*DC 2.0
	Key Function	AUTO,MENU,POWER,LEFT,RIGHT
Interface	H*MI	Support HMI-compatible,Support 1080P (max)
	USB	1
	RJ45	Touch interface
	VGA	1
	Headphone socket	3.5mm standard interface
	DVI	1
Product reliability	Working Temperature	-10 °C to 60 °C
	Storage temperature	-20 °C to 70 °C
	Humidity	Humidity: 95% Non-Condensing
	MTBF	7*24H

#### Company information:

Formike Group, the leading supplier of TFT LCD Display, Monochrome LCD, Segment LCD, OLED Display, Wifi Module, Cell Phone Parts, Smart Watch and Smart Bracelet industry.We engage in developing and manufacturing related products and solution over 22 years experience.Our products are widely used in smart homes, intelligent buildings , smart hotel, smart park, smart health, smart security, smart travel and other fields.Rich experience and friendly communication make sure that the best solution of customized or semi-custom can be done in short time.

Formike has strong technical strength , provide integrated software and hardware solutions. and More than 20% of the company's employees are experienced and experienced technical researchers. We have automatic SMT high-speed production line, wave soldering plug-in line, test line, aging room, shielding room, assembly line, packaging line, quality laboratory and other equipment and facilities.

Backed up by other full advanced production equipment and production technology, we provide support for various domestic and overseas famous clients from USA, Europe, and Asia, etc.

We are certified to the ISO9001 & ISO14001 successfully.The annual production capacity reaches 500,000,000 pieces.All of our products are RoHS, CE, FCC compliant.

We are committed to creating maximum values for clients. We support Customize LCD accroding to your demand.Whether selecting a current product from our catalog or seeking for engineering assistance.
