

Small Lcd Touch Display Module Panel Touch Screen Lcd Module

Our Product Introduction

Basic Information

- Place of Origin: 00
- Brand Name: 2
- Certification: 3
- Minimum Order Quantity: 290
- Packaging Details: 付款方式
- Delivery Time: 供 能力
- Payment Terms: 期限
- Supply Ability: 常 包装

Product Specification

- Warranty(Year): 2-Year
- Resolution: 200*300
- Storage Temperature: -20 ~70
- Touch Screen Type: Resistive
- Viewing Angle: 12 O' Clock
- Display Size: 74.26*74.26*0.8
- Interface: MIPI
- Place Of Origin: Guangdong, China
- Metal: Type Iron
- Thickness: 203*193*15cm
- Box Type: Self Erecting Boxes
- Radiation Power: 840~1300MW
- Metal Type: Iron
- Universal Type: Fit For 80% Model Cars' Injectors
- Indian Hair: Yes

Product Description

Small Lcd Touch Display Module Panel Touch Screen Lcd Module

The competitive advantage of product line:

They have obtained trademark and patent certificates.

Product parameter:

Inch	3.95
Model	EQT395HYC004P
LCD model	HSD040FPN1-A00
Resolution	480*480
Viewing Angle	ALL
Driver IC	GC9503CV
Overall Size	74.26*74.26*0.8
Active Area	71.86*70.18
Interface	MIPI
Operating Temperature	20—70 °C
Storating Temperature	30—80°C

Why choose us?

FAQ:

- 1)Q:Are you a manufacturer or a trading company? A:Easy Quick is a manufacturer, sell of LCD modules with 15+ years experiences in Shenzhen China. We have our own R&D team, the factory has a total area of 16000 square meters, about 1000 employees, and an annual production capacity of 48kk. We can provide OEM&ODM service.
- 2)Q:How can I find the right product? A: Please send us your requirements, We will recommend suitable products, if it's not fit, we will do the necessary adjustment& customization.
- 3)Q:How to customize the product? A: Customized procedures goes like this: clear customer needs → project feasibility assessment → project design → confirm quotation → drawing design → sample production → sample confirmation → customer placing trial production order → trial production order review → product finalization → mass production.
- 4)Q:Do you accept sample order or small quantity order? A: Yes, you can place sample orders for testing first, and small quantity order as pilot production (no less than MOQ)
- 5)Q:How does Easy Quick guarantee the quality? A:Easy Quick has passed IATF16949 certificate, ISO 9000, ISO 14000, ESD 2.0. The quality is strictly controlled in designing, material incoming, production process, equipment, management and checking, the rejects are not allowed to flow at any circumstances. We following the quality standards from automotive industry. Special attention is paid to the capacity of anti-high-temperature, anti-shock and aftersales reliability. We don't fear the rejects on the production line, we badly fear the rejects at the final consumer's hand. Easy Quick is always pursuing 0 after sales reject, so we adopted the strictest quality standards.
