

## Eco-Friendly Brown Kraft Paper Food Packaging With Ziplock Food Grade Material

### Our Product Introduction

#### Basic Information

- Place of Origin: 00
- Brand Name: 2
- Certification: 3
- Minimum Order Quantity: 100
- Packaging Details: 付款方式
- Delivery Time: 供 能力
- Payment Terms: 期限
- Supply Ability: 常 包装

#### Product Specification

- Laminated Material: Laminated Material
- Application: Food, Promotion
- Feature: Moisture Proof, Recyclable, Bio-Degradable, Disposable, Shock Resistance
- Shape: Plastic Bags
- Making Process: Composite Packaging Bag
- Raw Materials: Polypropylene Plastic Bag
- Metal: Type Iron
- Thickness: 203\*193\*15cm
- Box Type: Self Erecting Boxes
- Radiation Power: 840~1300MW
- Metal Type: Iron
- Universal Type: Fit For 80% Model Cars' Injectors
- Indian Hair: Yes
- Size: 390x240x185cm

## Product Description

### Eco-Friendly Brown Kraft Paper Food Packaging With Ziplock Food Grade Material

Product information:

Accessories

Ribbon,Bow,Magnet,Fabric inside,Flocking inside,Foam inside,EVA inside,Blister inside, Plastic inside,Transparent Window etc.Accept Your Special Demands, Let You Save Time and Worries.

Artwork

Design files in AI,CDR,PDF format. Put Your Good Ideal into Reality.

Printing

CMYK full color offset printing,Panton Color.

Product details:

item	Eco-Friendly Brown Kraft Paper Food Packaging with Ziplock Food Grade Material	Size	Customized
Material	Two layer:NY/PE,PET/PE,etc.	Thickness	Customized
	Three Layer,can choose below option:	Sample	Free sample with freight collect
	PET/AL/PE,PET/PET/PE,PET/NY/PE, PET/MPET/PE,etc.		
	Four Layer: PET/AL/NY/PE,PET/AL/PET/PE,etc.	Design	free design or by customized

1. Moisture proof, good heat seal, good air barrier and transparency
2. Good light barrier, anti-puncture, good stiffness
3. Low temperature resistance and high temperature resistance
4. Good anti-puncture and stiffness, can protect from light, good look
5. Moisture proof, strong sealing strength
6. Easy to tear, good friction, prevent against oxygen

#### FAQ:

1. How to get our accurate quotation? Please kindly provide us below details

- (1). Design
- (2). Materials structure & thickness
- (3). Quantity of each size
- (4). Bag style or special usage and request
- (5). Delivery place

If you are not able to provide any information, please detail the product, capacity, and function, and we will offer you suitable options, you also can get exact price.

2. Why does the factory quote separately for the printing plate fee?

The printing plate can be recycled within two years.We require the printing fee to be paid in a lump sum so that you won't be charged twice when you order again in the future.

3. How do you control the quality?

Only the sample approved by buyer, we will begin bulk production. And doing 100% inspection for all parts, whole production and random inspection before packing. The picture for mass production and goods will be kept until next production.

4. How to get our samples?

You can tell me which style of sample you need,and we will arrange send free sample to you for reference quality and printing. but freight collect.
