3. Steady and Strong supply ability
4. We can set appropriative production line for Big clients
5. Professional advice for you to save purchasing cost.

FAQ:

Q1: Are you a Manufacture factory?

Yes, We are the direct manufacture factory, located in Shanghai China, Which specialized in bubble film making machine and protective packing and mailing for over 28 years experience.

Q2: What is your main products?

Our Mainly products are aluminum bubble mailers , kraft bubble mailers, Poly Bubble mailers, Poly Mailers

Q3: What's your minimum order quantity?

We accept mix size and mix item put on a 20ft or 40ft container.

Q4: Can I order a small qty (few thousands pcs) or less container to start?

If you are buying these mailers bags for resell or wholesale, we suggest you consider order a 20ft or 40ft container to save your shipping cost. because bubble mailers are a large volume item, the shipping cost is very expensive which higher than the product.cost, and your price will not competitive any more.
