FAQ:

Q: What are natural human hair wigs?

A: Natural human hair wigs are wigs made of real human hair that are used to give a natural look and feel.

Q: How long do natural human hair wigs last?

A: Natural human hair wigs typically last up to one year, depending on how well they are taken care of. Properly maintained wigs can last even longer.

Q: How do I take care of a natural human hair wig?

A: To ensure a long lifespan, natural human hair wigs should be washed and conditioned regularly with a mild shampoo and conditioner, and gently styled with a wide-tooth comb to avoid damaging the hair.

Q: What styles are available for natural human hair wigs?

A: Natural human hair wigs are available in a variety of styles, including straight, wavy, and curly.

Q: Are natural human hair wigs easy to maintain?

A: Natural human hair wigs are relatively easy to maintain, although they may require more attention than synthetic wigs.
