FAQ:

Q: What are natural human hair wigs?

A: Natural human hair wigs are wigs made from real human hair, usually collected from hair donors who donated their hair for this purpose.

Q: How long does a natural human hair wig last?

A: The lifespan of a natural human hair wig depends on how it is cared for, but with proper care and maintenance, a natural human hair wig can last up to 12 months.

Q: Are natural human hair wigs easy to manage?

A: Yes, natural human hair wigs are easy to manage and style just like your own hair. You can style it with curling irons, flat irons, blow dryers, and more.

Q: What is the difference between natural human hair and synthetic hair?

A: Natural human hair is real human hair, while synthetic hair is made of plastic or other synthetic materials. Natural human hair looks and feels more natural and can be styled and colored just like real hair.

Q: Are natural human hair wigs comfortable to wear?

A: Yes, natural human hair wigs are very comfortable to wear. They are lightweight and secure, and can be adjusted to fit any head size.
