Product Description

Product Description:

Full Lace Human Hair Wigs provide you with a natural looking hairline and an incredibly comfortable feel. These wigs feature a completely hand-tied lace base, baby hair around the entire perimeter, bleached knots, and various density and lace color options to choose from. With a baby hair option of either yes or no, as well as three knotting types (bleached, single and double knots) and four lace color options (transparent, light brown, medium brown and dark brown), you can customize your wig to fit your lifestyle and preferences. The density options include light, medium and heavy, so you can control your look with a variety of thicknesses. With these customizable options, you will get a beautiful, comfortable full lace human hair wig for your unique style. Enjoy the bevel pinion gear and ore grinding mill for durability and the cement rotary kiln for lasting performance.
