## FAQ:

**Q:** What is Front Lace Human Hair Wigs?

**A:** Front Lace Human Hair Wigs are a type of wig made from real human hair. The base of the wig is a lace base, and the hair is hand-tied to the lace.

**Q:** How durable are Front Lace Human Hair Wigs?

**A:** Front Lace Human Hair Wigs are very durable and can last for several years with proper care and maintenance.

**Q:** What is the difference between a Front Lace Human Hair Wig and a Synthetic Wig?

**A:** Front Lace Human Hair Wigs are made from real human hair, while Synthetic Wigs are made from synthetic fibers. Human hair wigs are more durable and can be styled with heat tools, while synthetic wigs are less durable and cannot be styled with heat tools.

**Q:** How do I care for my Front Lace Human Hair Wig?

**A:** It is important to care for your Front Lace Human Hair Wig properly. Use a mild shampoo and conditioner, and avoid using products with alcohol or sulfates. Use a wide-tooth comb to detangle the hair, and let the wig air-dry after washing.

**Q:** Can I color my Front Lace Human Hair Wig?

**A:** Yes, you can color your Front Lace Human Hair Wig. However, it is important to consult a professional hairdresser before coloring the wig to ensure that it is done properly.
