Applications:

Natural human hair wigs are becoming increasingly popular among modern people for their natural look and feel. These wigs come in a variety of lengths, from short to long, and with a range of lace colors including transparent, light brown, medium brown, and dark brown. Additionally, cap sizes come in small, medium, and large, and the cap construction can be lace front, full lace, or glueless. Lastly, baby hair can be added to the wigs for an even more realistic look.

Packing and Shipping:

Packaging and Shipping of Natural Human Hair Wigs: -----

The natural human hair wigs will be securely packaged for safe transit. We will use bubble wrap and anti-static bags to protect the product against damage during shipping. The wig will be carefully placed in a secure box that is thick enough to protect it from the external environment.

We offer free shipping for natural human hair wigs and all orders will be shipped within 1-2 business days. All orders will be shipped via express delivery services such as UPS, FedEx or DHL. We are also able to ship to international locations, with customers being responsible for any additional taxes and duties.

FAQ:

Q1:-What are natural human hair wigs?-----

A1: Natural human hair wigs are high-quality wigs made from 100% real human hair. They are highly durable and can be styled to suit any look.

Q2: How long do natural human hair wigs last?

A2: Natural human hair wigs can last up to 2-3 years with proper care and maintenance.

Q3: How do I care for my natural human hair wig?

A3: You should wash your natural human hair wig regularly with a mild shampoo and conditioner. Additionally, you should use a heat protectant when styling and air dry whenever possible.

Q4: Can I dye my natural human hair wig?

A4: Yes, you can dye your natural human hair wig as long as the dye is formulated for human hair. However, it is recommended to consult a professional before coloring your wig.

Q5: Can I use hairspray on my natural human hair wig?

A5: Yes, but you should always use a light-hold hairspray and apply it from a distance of at least 6 inches away.
