Delivery time will depend on the chosen courier and the destination address. The customer will be able to track the package through the provided tracking number.

FAQ:

Q: What are natural-human-hair wigs?

A: Natural human hair wigs are wigs made with real human hair. They provide a natural look and feel, allowing you to wear them confidently.

Q: Are natural human hair wigs durable?

A: Yes, natural human hair wigs are very durable and can last up to one year or more with proper care.

Q: How do I style a natural human hair wig?

A: Natural human hair wigs can be styled using heat tools, such as curling irons and straighteners. However, it is important to use a heat protectant before styling to prevent damage.

Q: How can I clean a natural human hair wig?

A: Natural human hair wigs should be washed every 1-2 weeks using a mild shampoo and conditioner. They should be air dried after washing, and can be styled with a blow dryer or heat tools.

Q: Is it difficult to care for a natural human hair wig?

A: No, caring for a natural human hair wig is relatively easy. As long as you follow the proper cleaning and styling instructions, you should have no problem keeping your wig in good condition.
