Product Description

Product Description:

Full Lace Human Hair Wigs offer a natural and beautiful look that is unmatched by other types of hairpieces. They are made with a high-quality cap construction that is glueless, lace front, and full lace. The lace color is available in transparent, light brown, medium brown, and dark brown. Depending on your personal style, you can choose from straight, curly, and wavy textures. The knots are either bleached, single, or double. Length options range from short to medium to long. Ore Grinding Mill, Bevel Pinion Gear, and Mill Pinion Gears are all utilized with full lace human hair wigs to ensure a perfect fit and natural look.
