Product Description

Product Description:

Full lace human hair wigs are made of 100% human hair which is soft and natural-looking, making them the perfect choice for your beauty needs. The texture of the hair can be straight, curly, or wavy, and you can choose between bleached, single, or double knots. You can also choose between bleached or non-bleached knots, and an elastic band can be added for extra security. The cap construction of the wig is also customizable with options ranging from glueless, lace front, to full lace. Bevel pinion gear, ore grinding mill, and bevel pinion gear set are all included for added durability and strength. With all these options, you can create the perfect wig that suits your style and personality.
