## Product Description

### Product Description:

Full Lace Human Hair Wigs are perfect for those looking for an extra natural and comfortable look. These wigs are designed with an all-over lace cap construction that offers an extended range of styles. With elastic bands and adjustable straps, they can be easily secured to the head for a secure fit. They come in many different styles and colors, including natural color, colored, transparent, light brown, medium brown, and dark brown lace colors. The lace can also be pre-plucked for a natural hairline. The full lace construction provides a natural-looking, seamless blend with your own hair, so you can look your best.

Our full lace human hair wigs are made from high-quality, 100% human hair that is soft, smooth, and durable. They can be styled and colored to match your own hair, giving you the freedom to create a unique and individual look. With the right care, these wigs can last for years with minimal maintenance.

Our full lace human hair wigs are the perfect choice for those looking for a comfortable, natural-looking hairstyle that is both stylish and easy to maintain. Whether you are looking for a dramatic transformation or a subtle change, these high-quality wigs can help you achieve the look you desire.

### Applications:

The **ZTIC Conveying Hoisting Machine** is designed to meet the needs of various environments. It is a perfect choice for transporting and hoisting materials, such as cement, ore and mill pinion gears. This machine is made with high quality materials, such as natural color/colored hair, natural/pre-plucked hairline, small/medium/large cap size, bleached/single/double knots, with or without baby hair. It is also designed with a minimum order quantity of one set, and the price can be negotiated. Moreover, it comes with a standard packing or according to customer's requirement, and the delivery time is 5-8works. It is a cost-efficient and reliable machine that can provide you with the utmost efficiency and convenience.

### Packing and Shipping:

Full Lace Human Hair Wigs Packaging and Shipping:

The full lace human hair wigs are carefully packaged and shipped in a secure box to ensure that the wigs arrive in perfect condition. The box is lined with bubble wrap for extra protection. Inside the box, the wig is secured with an adjustable wig cap and a wig band to prevent it from shifting or tangling during transit. Once the box is sealed, it is shipped to your doorstep.
