Product Description

Product Description:

Our Long Curly Human Hair Wigs are designed to be comfortable and easy to wear. They are made with a front lace wig design that gives the illusion of a natural hairline. This design also allows for easy styling and parting of the hair.

The wigs have a resolution of 240*320, ensuring that the curls remain bouncy and defined. They are rated for use with a voltage of 60/125/250V AC/DC. The laminated material used in the construction of these wigs ensures that they are durable and long-lasting.

Our Long Curly Human Hair Wigs are available for OED and ODM services. This means that you can customize the wigs to suit your individual needs and preferences. You can choose the length, color, and density of the wig to achieve the perfect look.

Overall, our Long Curly Human Hair Wigs are the perfect solution for anyone who wants to achieve soft, lively, and voluminous curls without the hassle of styling their natural hair. They are comfortable, easy to wear, and can be customized to suit your specific needs. Order yours today and experience the beauty of curly human hair wigs!
