Product Description

Product Description:

One of the standout features of these Long Curly Human Hair Wigs is their quick Reacting Time of only 0.2 seconds. This means that you can easily put on or take off the wig in a matter of seconds, making them perfect for everyday wear or special occasions.

Another great feature of these wigs is their versatility in terms of voltage. With a Rated Voltage of 60/125/250 V AC/DC, these wigs can be used in a variety of settings, whether you're at home or traveling abroad.

For those looking for customization options, these wigs offer OED and ODM services. This means that you can work with the manufacturer to create a wig that is tailored to your specific needs and preferences.

The Long Curly Human Hair Wigs also feature a Front Lace Wig design, which provides a natural-looking hairline and allows for a variety of styling options. Additionally, they are made with Laminated Material, which helps to ensure durability and longevity.

In summary, if you're looking for a high-quality, versatile, and customizable wig that will give you a natural-looking, long, curly hairstyle, the Long Curly Human Hair Wigs are an excellent choice. With their quick Reacting Time, wide voltage range, and OED and ODM services, these wigs truly offer something for everyone.
