**Tips to Care Your Human Hair:**

- 1, Please fix the hair in professional salon which can put the hair more steady and natural!
- 2, When swimming, please wear water proof hat and keep away from the rain for daily using;
- 3, Please use warm water to wash the hair, not cold water; and wash the hair at least 2-3 weeks once;
- 4, Hair shampoo and hair conditioner is necessary when washing; You can brush the hair when it is with hair conditioner;
- 5, Brush the hair softly from bottom up with big tooth comb;
- 6, Do not use too much oil or spray when the hair is in good condition;
- 7, Do not dye the hair colors by yourself, your hairdresser is more professional;
- 8, Since it is hair, the shapes can not last forever, but when hair shapes changed, you can use rollers to curl your hair, and put in boiled hot water for 10 minutes, then air drying for a overnight or 24 hours. Then the hair will get shape again! Special curls should be done by hairdresser!
