Knowledge about hair:

Hair Smell: Factory wash the hair with warm water and shampoo, and we will put the hair oil to hair before shipment, protecting the hair from being dry during long-term delivery. But smell will fade away after washing via good shampoo and conditioner

Length: We will double check the hair type and length before shipment. When you receive the hair, you can measure it by stretching it, so you can get the correct length.

Coloring: All hair can be dyed/bleached to any color you want, but remember virgin hair will be easily dry after leaving hair donor, so don't dye or bleach hair too frequently, it will do harm on hair. Also please do it professionally.

Gray hair: Virgin non-dyed hair have a few strands gray hair inside. We usually pick the gray hair out on production, but we do not guarantee 100% no gray hair. Please understand and pick the few strands out yourself. Thanks

Shedding: There will be a few strands in hand when comb hair with fingers, but it's normal, just like our own hair. We highly suggest you sew the weft before installing. It can avoid the shedding in the future.

Refund Policy:

Refund is accepted within 7 days after you received hair goods.

the shipping cost of return should be paid by buyer.
