**Hair- caring**

**Tips for hair-caring**
**These tips can help you keep Peruvian virgin hair looking fabulous and lasting longer.**
**Prior to the installation of your hair extensions, for extra protection of your weft, we recommend you seal your weft! It will eliminate shedding and add longevity to your investment.**
**To prevent tangling problem, do not use some sticky hair oil.**
**If you swim a lot, I recommend you wear a swim cap. Because the hair will be damaged by Chlorine water in the pool.**
**It's necessary to co-wash the hair after coming back from club or party.**

**Daily Maintence**
**Use styling products minimally to avoid build up.**
**For Wavy & Curly hair use a spray bottle of water for natural look**
**For a "WET"look, we suggest a leave in conditioner & water**
**AVOID ALCOHOL BASED PRODUCTS TO AVOID DRYING OUT YOUR INVESTMENT!**
**Dampen hair with a water bottle**
**Comb through (wide tooth comb) beginning at the ends and working your way up to your scalp.**
**Scrunch up hair gently to reform curls.**
**Let hair air-dry.**
**Style as desired**
**8A garde quality virgin hair will not tangle if you can care it well everyday, it will last for at least 2 year.**
