RFQ:

Q1. How many hair extensions Do I Need for one head?

A : For average head size, here is my suggestion:
12"-14": 3 bundles; 16"-22": 3 bundles; 24"-28": 4 bundles or more.

Q2. What type of hair care products should I use?

A : Treat this hair just as if your own hair
1. Use good quality shampoo and hair conditioner for hair. It's important to keep the hair soft and shiny.
2. You could use gel or spray styling products to keep the hair style
3. Olive oil will be a good choice to keep the hair healthy.

Q3. Why are my hair extensions getting tangled?

A: It caused by dry hair. Please make sure to wash & condition your hair at least once a week, twice a week is better. Comb the hair from time to time. You could ask your stylist for further suggestions.

Q4. How long does it last?

A : It depends on how you to care it. Treat it like your own hair and take very good care for it, then normally it could last several years. Some people keep it for 4-5 years, but some just keep it half of one year.

Q5: Why the color of hair extensions don't seem exactly as the pictures show or description says?

A: 1. Different monitor have different displays so the same color number may have a little color difference. You could dye the hair to be the color that you want.
