24"-28" : 3 bundles or more

Q2. What type of hair care products should I use ?

A2 : Treat this hair extension just as if it was your own hair .

- 1, Use good quality shampoo and hair conditioner to care the hair . It's important to keep the hair soft and shiny .
- 2, You could use gel or spray styling products to keep the hair style .
- 3, Olive oil will be a good choice to keep the hair healthy .

Q3: Can they be straightened , curled ?

A3: Yes you could use hair straightener or hair curler to style the Brazilian virgin hair . However , don't do it too frequently , or the heat will make the hair easily get dry and tangled .

Q4: Can I dye / color the hair Extension ?

A4: Yes . The hair can be colored . As a general rule it is easier to darken the hair than to lighten the hair . We recommend to dye darker , since it is difficult for the original color to fade . Human virgin hair extension in competitive price . Improper dying will ruin the hair . We highly recommend having your hairdresser dye the human hair extension . Coloring by yourself will take a risk of not coming out the shade you want . If you can't get to a salon , please always use a good quality products and test a small sample first .
