FAQ:

Q1: What is the difference between Swiss lace and French lace?

A: Swiss lace is the most undetectable and it is best for experienced wearers. French lace is the most durable and it is best for new wearers.

Q2: What type of hair care products should I use?

A : Treat this hair just as if it was your own hair.

- 1, Use good quality shampoo and hair conditioner to care the hair. It's important to keep the hair soft and shiny.

2, You could use gel or spray styling products to keep the hair style.

3, Olive oil will be a good choice to keep the hair healthy.

Q3: What's bleached knots?

A: Bleaching knots is just meaning to make the knots more undetectable. The bleached knots can help hidden the knot, it can create the illusion that just like your original hair growing from your own head.

Q4: Why my hair get tangling?

A: Tanling is a common problem, after customer wear lace closure for a long time, it will be easy to tangle, and customer just wash it in 2 weeks can solve it.
